

FULL-BLOWN EVENTS COMPANY BACKGROUNDER

Production Management, Technical Design,
Creative Development and Equipment
for Live Events

BACKGROUND

Located in Orange County, CA, Full-Blown Events (FBE) provides production management, technical design and content development services to clients and experiential marketing firms for a wide range of live events. As a value-added service, FBE can also supply sound and video equipment from its own strategic inventory to offer end-to-end solutions for all types of events, in all types of venues.

Company founders Dave Judy and Peter Twill bring to bear over 40 years of combined experience in production management and technical implementation for projects in such diverse industries as automotive, music and entertainment, pharmaceuticals, and real estate.

“ALWAYS IN FULL CONTROL!”

FBE prides itself on taking full ownership of each and every one of the projects it undertakes. Careful planning and attention to detail virtually eliminate irritating “surprises.” Even after a project is well underway, last-minute developments and client changes are handled calmly, efficiently and cost-effectively. This approach has given FBE a unique reputation for being highly trustworthy and extremely easy to work with.
