

Full-Blown Events (FBE) is a full service event company that provides production management, technical design and content development services to clients and firms for a wide range of live events. As a value-added service, we can also supply sound, video and lighting equipment from our own inventory to offer end-to-end solutions for all types of events, in all types of venues.

FBE founders Peter Twill and Dave Judy bring over 40 years of combined experience in production management and technical implementation for projects in such diverse industries as automotive, music and entertainment, pharmaceuticals and real estate.

EXPERIENCED IN ALL TYPES OF EVENTS

- Fan & Spectator Events • Conventions & Meetings • Media Events
- Broadcast & Webcast Programs • Award Events • Benefit Galas
- Concerts & Entertainment Events • Corporate Functions
- Product Launches • Red Carpet & Premiers

Chapman University Commencement Ceremonies

Graduation is one of the most memorable days in a student's life. FBE managed 13 elaborate ceremonies, in one weekend, making Commencement an unforgettable experience for students and their families.

Production Management, Audio, Video, Lighting, Stage, LED and Closed-captioning

Blizzard Entertainment BlizzCon

BlizzCon is an epic convention of passionate fans of Blizzard Entertainment games. FBE produced and broadcasted 3 event stages with 40 hours of original programming content in a two-day event.

Production, Technical Management and Broadcast Equipment

Mazda Motor Corporation CX-5 Global Reveal

FBE produced the worldwide reveal of the all-new, 2017 CX-5. The event, live from Hollywood, California, featured a 100 ft wide LED wall.

Production, Creative Design, Audio, Video, Lighting, Stage, LED and Webcast

Aquarium of the Pacific Blue Whale Gala

A celebration of marine life and conservation, the Blue Whale Gala is an annual fundraiser to support the Aquarium of the Pacific.

Production Management, Audio, Video and Lighting

In-N-Out Burger Company Picnic

In-N-Out knows how to throw a party. FBE supported an enormous outdoor music festival and celebration for their many associates.

Production Management, Audio, Video, Lighting and Stage

Subaru Global Ascent Reveal

Welcome to SubaruVille! This global reveal and party was designed to provide a unique introduction of the all-new, 2018 Subaru Ascent to the international press. This out-of-the-box, creative concept featured two driving reveals and eight, very cuddly dogs.

Technical Management, Audio, Video and LED

Crystal Cove Conservancy Annual Soiree

Guests danced under the stars at the Crystal Cove Conservancy Soiree. FBE set the stage for this annual fundraiser that helps to restore and beautify one of Orange County's most picturesque beachfront locations.

Production Management, Audio, Video and Lighting.
